

Buttons Features

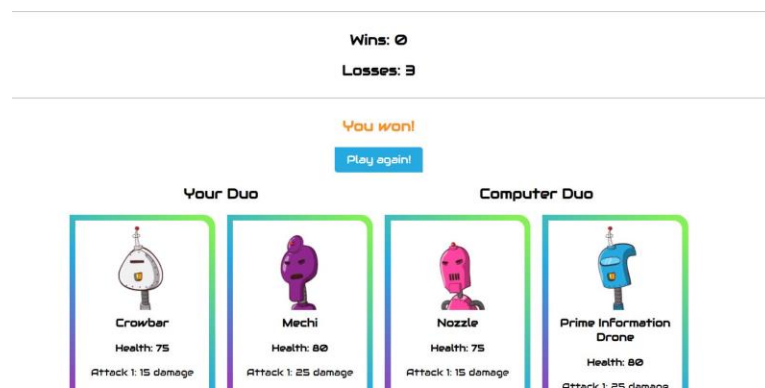

- "See all Bots" button should display all the bots on the screen.
- "Add to Duo" button should display the selected bot
- "Play again" button should reset the game
- "Remove from Duo" button should be able to remove the selected bot

Resetting the score

- Refreshing the web browser should be able to reset the game

Bug Reports

- The "See all Bots" button is not displaying all the robots
- The score doesn't update properly

-- Whether you won or lose, the score only goes to "lose" category. Points or score should go to the proper section.

- No way to reset the game. It doesn't reset the game after refreshing the web browser.
